

CLIC 2011 Scholarships

The CLIC Board of Directors will offer six (6) \$100.00 Scholarship Grants to three students graduating in 2011 from the East Grand High School in Danforth, ME and three students graduating in 2011 from the Canterbury High School in Canterbury, NB who matriculate at a college of their choice in the fall of 2011.

The family of the awardees must be a member of the Chiputneticook Lakes International Conservancy. Student interest in conservation is a plus.

The recommendation of the Canterbury and the East Grand School Administration will be a deciding factor as to selecting the awardees.

For more information, contact Ann Barnes at 207-532-3556 or 207-448-7094 or e-mail questions to pegone@mf.net or any CLIC Officer.

Though no Greenland Point Scholarships have been authorized for the summer of 2011, it won't hurt if you ask.
